

Can I book an appointment at Biron?

For my lab tests

You **can** book an appointment

You **can't** book an appointment

Within the last 10 days, **have you tested positive** for COVID-19 with a PCR or antigenic test (rapid or in laboratory)?

NO

If you are experiencing symptoms that are similar to COVID-19, we encourage you to schedule an appointment once the symptoms have completely resolved, unless it is an urgent need.

All of our regular service centres will be offered to you.

YES

Due to your current situation, Biron is not able to offer you its services at this time. We invite you to try again once the 10-day period has passed or contact us by phone today to book an appointment in advance with an agent. You can also call 1 877 644-4545 to reach the government line dedicated to COVID-19 so that they can inform you of the steps to take to receive your care.
